#	Product or service	SKU	Description	Qty	Rate	Amount
1.	Deck		Construction of a 16x17 all-wood deck with a shingle roof, waterproof laminate flooring, and all sides fully enclosed to create a comfortable, weather-resistant outdoor living space. The project includes full framing, decking, and roofing, as well as the relocation of the customer's existing French door. Two standard-size single-hung windows (approximately 3'x4') will be installed to provide natural light and ventilation. Additionally, two dedicated electrical circuits will be added for lighting. All materials, hardware, and labor are included for a complete and professional installation.	1	\$19,500.00	\$19,500.00
2.	Fence		Installation of 159 feet of 6-foot-high fence using black metal sheets, providing a sleek, modern, and durable appearance. The fence will be supported by strong wooden posts and framing for long-lasting stability. The project includes one 10-foot-wide double gate (2 x 5 feet) made with matching materials to ensure consistency and aesthetic appeal. All necessary posts, hardware, and fasteners are included, along with professional labor to ensure a precise and secure installation. This complete fence installation will offer both security	1	\$6,880.00	\$6,880.00

and an attractive, finished look for your property.

3.	Demolition	Demolition and removal of 159 feet of existing fence, including dismantling of all posts, panels, and hardware. All debris will be cleared from the site and properly disposed of in accordance with local regulations. Site will be left clean and ready for new installation.	1	\$500.00	\$500.00
